

## WEATHERWHIZ LAUNCHES IN SUPPORT OF THE ZHIK SB3 WORLDS

Welcome to WEATHERWHIZ and the launch of this exciting new weather service in conjunction with the ZhiK SB3 World Championships

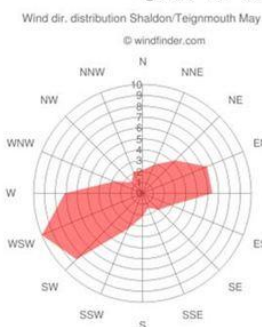

Here at Weatherwhiz we aim to provide professional weather forecasting and support service for those involved in sports. We are proud to be able to offer the competitors of the ZhiK SB3 World Championships this unique opportunity to be the first to experience and benefit from the services of Weatherwhiz.

Throughout the racing periods of the Pre-Worlds ( 12-13<sup>th</sup> May) and the World Championships (16-20<sup>th</sup> May) there will be a free, basic forecast available via the blog, please click here.

For those wanting that competitive edge you have the opportunity to subscribe for some additional services

1. Get the WEATHERWHIZ TORBAY VENUE GUIDE – a taster of the venue guide can be found under Resources and Features or by clicking here
2. Get DAILY COURSE AREA SPECIFIC FORECASTS – an example of which for this Tuesday can again be found under Resources and features or by clicking here
